2012 GSA Training Conference and Expo
San Antonio, TX

For Expo information: http://www.expo.gsa.gov/

Network Services Ordering and Billing Systems Meeting

Schedule: **Monday, May 14**
                1:00 – 3:00 PM

Location: **Lone Star Ballroom (Section C), Grand Hyatt San Antonio**
                600 E. Market Street (next to the convention center)

Please join us for exciting changes to the Network Services Ordering and Billing Systems. This session will cover short- and long-range plans.

The agenda will be as follows:
- The TOPS Evolution
- E*Bill Changes
- What's next for E-MORRIS
- Agency/Customer Feedback

Please do not miss this opportunity to see these changes. Our Subject Matter Experts will be in attendance and want your feedback.

This meeting is open to agencies only.

Network Services Ordering and Billing Systems Workshops

Schedule: **Tuesday, May 15 – Thursday, May 17**
                30-minute sessions
                Please see the workshop registration form for available times.

Location: **Room 214A, Convention Center**
                200 E. Market Street

Do you have questions about TOPS, e*Bill, FTSB, MORRIS or E-MORRIS? Please join one of our sessions tailored to your specific questions regarding the websites. Each 30-minute session will hold 1-5 users from an agency, and use agency data. Want to know how to:
o Manage Local Service Billing and Inventory
o Manage Long Distance Service Billing and Inventory
o Track Shared Tenant / GSA Adjustments
o Customize your queries
o Track Disputes

Just ask! Bring your account information (User ID and password) and your questions.

These workshops are open to agencies only. We will accept walk-ins, but space may be limited. To ensure a session, please click here to pre-register.
